

EPD185

Description:

Powerful, alkaline degreaser concentrate for oven cleaning and foaming cleaner. Powerful penetrants loosen greases and oils for rapid removal. High foaming surfactants make this the ideal foaming cleaner for kitchen walls and other vertical surfaces. Product is safe on all surfaces, except soft metals where immediate rinsing is required.

FEATURES:

- Biodegradable
- Low odor
- Highly concentrated
- USDA approved
- Alkaline detergent

BENEFITS:

- Non-toxic
- Workplace acceptance
- Long life and lower cost
- In accordance with federal guidelines
- Environmentally friendly

APPLICATIONS:

- Ideal for meat, poultry and food processing plants
- Suited for foaming cleaner for kitchen walls and other vertical surfaces
- Removes burned on food soils from cold or hot ovens and grills
